Instructions for Completing the Petroleum Severance Tax Reporting Forms

Form MF-600

Under the provisions of the Indiana Petroleum Severance Tax Law (Indiana Code 6-8-1-8) states:

A tax at a rate equal to the greater of:

- (1) one percent (1%) of the value of the petroleum; or
- (2) three cents (\$.03) per thousand (1,000) cubic feet (MCF) for natural gas and twenty-four cents (\$.24) per barrel for oil;

is hereby imposed as of the time of the severance for such petroleum from the land, upon all producers and owners thereof...

“Value” means the price paid for such petroleum products or their market value at the time of severance if gathered for consumption by the severing party. The tax is imposed at the time of sale or delivery from the place of production. Consequently, no transportation or freight allowances are to be used when determining the reporting value of the product for tax purposes.

“Petroleum” subject to the severance tax means and includes crude petroleum oil and gas, and other hydrocarbons, whether in liquid or gaseous form and regardless of gravity, which are severed from the land and produced from a well in the State of Indiana.

Reporting Requirements

Reports of severance activities are to be filed with the Fuel Tax Section within thirty (30) days after the last day of the calendar month being reported. Reports filed late will be subject to statutory penalty and interest charges.

The severance tax is to be reported by all purchasers of petroleum products or gatherers of petroleum products at the time such products are transported from the place of production. The purchaser or gatherer is imposed with the responsibility to make reports of the severance of petroleum products from the land and the payment of the tax thereupon for and on behalf of the owner or producer of the products as their interests may be.

Reporting Forms

Product producers or gatherers are to report their severance activities and the amounts of tax due thereon each month by using the Petroleum Severance Tax Reporting Form #1 (Form MF-600).

The completed form and remittance of tax due should be mailed to:

**Indiana Department of Revenue
P.O. Box 6080
Indianapolis, IN 46206-6080**

Any questions about these reporting requirements should be directed to the Fuel Tax Section. Telephone inquiries about the Petroleum Severance Tax should be directed to (317) 615-2699.
